Health and Safety

3. You are reminded not to send your child/ward to school if they are unwell or have flu-like symptoms. Please bring them to consult a doctor instead, and update your child's Form Teachers with the relevant MC. Let's continue to practise good personal hygiene, and exercise social responsibility at all times.

4. You may drive your child to school in the morning but please be reminded to drive slowly and exercise caution around and within the school campus. Please follow the directional signs for the exit from school.

Attire/Grooming

5. Due to the hot weather, students are allowed to wear either PE T-shirt or the school polo top to school. Students must be properly attired for lessons in class – boys in long pants and girls in skirts and must wear official school PE shorts during Physical Education (PE) lessons. Attire and grooming checks will be conducted in Week 1 and Week 5. We seek your support in ensuring that your child/ward adheres to the school rules and regulations. Students who are not appropriately dressed or groomed may be sent home. Kindly refer to the 2026 e-Student Handbook (pages 23-25) uploaded onto our school website at <http://broadricksec.moe.edu.sg/> for the detailed information.
